Exploring God's Work through the travels and teachings of Jesus

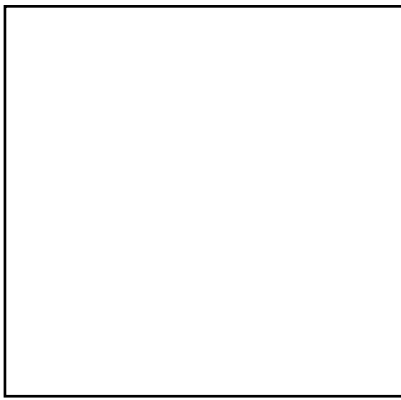

Jesus didn't stay in one place for long. His earthy ministry was one of moving from one place and encounter to the next. He also moved through every part of the human experience, encountering everything from temptation, to joy, to suffering and even death. As we encounter the life and ministry of Jesus, we cannot stay the same. We are moved to grow and change as followers and imitators of the gospel. The comforting truth of Lent is that as we delve deeper into our own self-examination, we find that we are not alone. God is still on the move in our lives, walking with us every step as we travel the road to Easter.

You are invited to bring your Lenten passport to worship each Sunday in Lent. Each Sunday you'll receive a sticker to mark your participation as we explore God's work together through the travels and teachings of Jesus. Bon voyage!
