

God's Abundance: More Than We Imagine

²⁰Now to God who by the power at work within us is able to accomplish abundantly far more than all we can ask or imagine, ²¹to him be glory in the church and in Christ Jesus to all generations, forever and ever. Amen.

Ephesians 3:20-21

You take a quiet moment to catch your breath at the end of a demanding day. You find it hard to believe how things got done, but everything has fallen into place. Obstacles that seemed certain to block the way have been hurdled; difficulties have been met and overcome. The simplest prayer springs from your lips, "Thank God!"

We hear from Ephesians that we share in everything that God is doing. God has declared in Jesus that there will be justice, mercy, and peace for all peoples and the whole of creation. There are days when these may seem to be lofty and unattainable dreams. It can be hard for us to imagine how this will be fulfilled. Our greatest surprise and our deepest joy is learning that God has placed in us the power to accomplish such things and even more.

As we approach 2024, we can see that God has done so much more than any of us could have imagined in this place. Good Soil has grown in so many ways— in our vision, in numbers, and in our depth of relationships. We have grown yearly in our financial support of the ministry, as individuals in partnership with the wider church, and in service beyond ourselves. This year, we want to invite you to imagine continuing to grow in your faith-inspired financial commitment that says, “Thank God!”

In the coming weeks, we will reflect on the generosity of God that we have experienced in our own lives, and we will share ways that we together can grow in our own generosity journeys and financial support of Good Soil’s mission and ministry. We invite you to begin by asking God to fire your imagination to see all that God has done for you. With that joyful discovery, we believe each of us can do much more than we could have imagined!
